-------------------------------------	------------------------------------

ORDER APPROVING TARIFF AND ISSUING CERTIFICATE

(Issued August 7, 2002)

On May 21, 2002, CS Technologies, Inc. (CST), filed a proposed tariff with the Utilities Board (Board) providing the terms, conditions, and rates for local exchange service in listed exchanges as described in the local exchange maps of Qwest Corporation. Revisions to the tariff were filed on June 24, 2002. The proposed tariff has been identified as Docket No. TF-02-214.

On October 4, 2001, the Board issued an order in Docket No. TCU-01-17 approving CST's application to provide service in the listed exchanges and approving the concurrence in the Qwest exchange maps. The order states that a certificate would be issued when CST gave notice to all affected local exchange carriers and when CST obtained an approved tariff setting forth the prices, terms, and conditions of local exchange service in Iowa. CST requests the Board approve the proposed tariff and grant it a certificate to provide service in the listed exchanges.

The Board has reviewed the proposed tariff and finds it substantially complies with Board rules for the filing and processing of tariff pages. The tariff contains rates

for both business and residential customers. Notice was provided to all affected carriers on July 10, 2002. The Board will approve the tariff effective the date of this order and issue CST a certificate concurrent with this order.

IT IS THEREFORE ORDERED:

1. The tariff filed by CS Technologies, Inc., on May 21, 2002, and its revisions filed on June 24, 2002, are approved effective the date of this order.
2. A certificate, identified as Certificate No. 0254, is being issued to CS Technologies, Inc., concurrent with this order.
